

Flexa

idea: *Pietro Lovato*

FLEXA è il nuovo traguardo delle sedute operative: estremamente confortevole, flessibile alle esigenze, colorata e divertente. Si adatta a spazi operativi moderni e creativi, senza rinunciare, nelle versioni black&white, all'eleganza che contraddistingue la Moving. Il supporto a forma di Y bianco o nero è realizzato con tecnopolimero ad alta resistenza meccanica e lo schienale disponibile in 7 colori è polipropilene in co-polimero ad alto modulo.

Flexa is the new goal of the task chairs: extremely comfortable, flexible to your needs, colourful and funny. It can be used in operative modern areas without losing the distinguished elegance of a MOVING product in its black&white versions.

The Y shaped spine support in white or black colour is made of engineering polymer with high mechanic resistance while the backrest is available in 7 colours and it's made of polypropylene copolymer high modulus.

FLEXA est la ligne d'arrivée des sièges opératifs : extrêmement confortable, flexible, coloré et sympa. Il s'adapte à des espaces de travail modernes et créatifs, sans renoncer, dans les versions black&white, à l'élégance qui distingue les produits Moving.

Le soutien du dossier en forme de Y blanc ou noir est réalisé en polymère technique à haute résistance mécanique tandis que le dossier, disponible en 7 couleurs, est en copolymère à haut module.

FLEXA ist ein neues erreichtes Ziel in den Bürodrehstühlen. Sehr komfortabel, flexibel auf die Bedürfnisse, farbig und lustig. Dieses Modell ist geeignet für moderne und kreative Räume; die Version black&white präsentiert Eleganz typisch von Moving. Die Y-geformte Halterung, weiß oder schwarz, ist aus Technopolymer Kunststoff mit hoher mechanische Widerstandsfähigkeit. Die Rückenlehne welche in 7 Farben verfügbar ist, ist aus Polypropylen Hochmodul-Co-Polymer.

FLEXA es el nuevo objetivo de las sillas operativas: extremadamente cómoda, flexible a las necesidades, colorida y divertida. Se adapta a los espacios operativos modernos y creativos, sin renunciar, en las versiones en blanco y negro, a la elegancia que distingue a Moving. El soporte en forma de Y blanco o negro está hecho de tecnopolímero de alta resistencia mecánica y el respaldo disponible en 7 colores es polipropileno en copolímero de alto módulo.

OPERATIVE COLLECTION

Flexa

Girevole, schienale in copolimero, sostegno Y in polimero tecnico, supporto lombare regolabile bianco o nero.

Swivel, copolymer backrest, Y shaped support in technopolymer, adj. Lumbar support. White or black support.

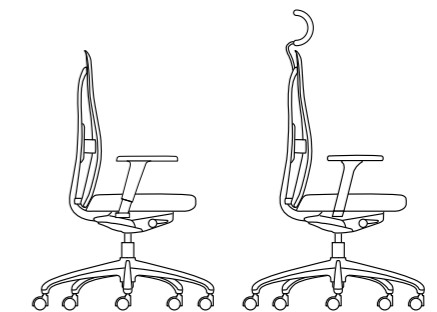

Pivotant, dossier en copolymère, soutiens en forme de polymère technique, soutien lombaire régl. Soutien blanc, soutien noir.

Drehbar, Polyp.-Copolymer Rückenlehne, Techno-Polymer Y geformte Rückenlehnehalter, verstellbare Lumbalstütze. Weiße Rückenlehnestütze, schwarze Rückenlehnestütze.

Giratorio, respaldo en copolímero, soporte Y en polímero técnico, soporte lumbar ajustable, blanco o negro.
